

# Adding 'your' brick to the Walk of Life

## **Celebrate love, life, family or friends with a personal message in the Walk of Life**

The Marlow Walk of Life is a brick pathway through the redesigned garden at Christ Church URC, Oxford Road, Marlow. It is also *your* opportunity to celebrate the life of a loved one, or a big event in your own life, by having a dedication of your choice engraved on a paver.

For a minimum £60 donation we will add 'your' brick to the Walk of Life, creating a lasting reminder of someone or something special to you. Apply now – see inside for details.

## A community facility

The garden at Christ Church URC is now a much-loved community resource. In 2020 we made it easier for everyone to use it, by opening a new entrance directly from Oxford Road. We also installed a water bottle filler. Then in the autumn of 2021 we created the Walk of Life. For us, it's a way of saying 'all are welcome here.'

## A quiet place

Everyone sometimes needs space to relax and unwind from daily pressures. Our garden is a perfect quiet place for relaxation and reflection. For some, that may also mean prayer but everyone is welcome here, whatever their beliefs. If you've never visited the garden, come in and sit awhile on one of the benches!

## An accessible space

One reason for improving the garden further was to make it more accessible to wheelchairs and to people with disabilities. We replaced a gravel pathway with the new paved brick path, leading from the pavement at Oxford Road to a choice of seating areas. We want the space to be accessible to *everyone*.

## Having 'your' brick—how you can still be a part of this project

Already some 60 engraved bricks have been installed, but there is still opportunity for you to have a new paver installed with the wording of your choice. Commemorate a loved one or celebrate an event like a wedding or a first grandchild – it's up to you! As far as we know, there is no other place in Marlow where you can celebrate a life in this way; and, at the same time, you will be helping maintain an attractive space for all. There is a choice of layout options on single pavers but please note that **'double' pavers are no longer available**. To apply, see the next page.
